## Boating/Fishing

. Be sure you have the required licenses and updated boating and fishing information. You can contact the Boating Safety Infoline @ 1 800 267 6687 or [www.ccg-gcc.gc.ca](http://www.ccg-gcc.gc.ca) for further information. Please be safe!  
A fishing license is required for anyone wishing to fish. They are available at Trudy's store and cost \$15. Be sure you know which fish are in season.

## Garbage and Recycling

As of April 1, 2003 Limerick Township has issued a \$1/bag garbage disposal fee. We provide a recycling depot that we encourage you to use and each cottage is equipped with at least two blue boxes. We also will provide a composting area. The conscious use of these facilities will not only help our environment but will also keep your disposable garbage to a minimum. There will be a charge of \$1/ bag of garbage.

Your consideration and co-operation is greatly appreciated!
